## Social Impact Investing: Fighting Poverty Through Enterprise

Over the last decade a new breed of venture capitalism has emerged: social impact investors who invest in sustainable and scalable enterprises among the poor. These enterprises generate financial as well as social returns in terms of lives impacted, and innovative goods and services that serve the poor.

In this lecture, Dato' Dr Kim Tan will speak on

- Businesses designed to tackle issues of poverty in Africa and Asia
- The social impact investment universe from angel investors to institutional social venture funds
