Where do I start? Frankly speaking nursing wasn’t my first choice, I joined Diploma in Nursing in Sunway University in 2009 July. It has been a great and joyful journey along the way in completing my Diploma in Nursing. I didn’t have to worry about job security as the bond required me to work for a duration of 4 years. To my advantage, I managed to gain vast experiences while on the job. While I was working with Sunway Medical Centre, I pursued and completed my Degree in Nursing. Upon completing my bond, I joined Segi University as a clinical instructor cum lecturer for a duration of 18 months. I was delighted when I saw an opportunity as a Clinical Instructor within my alma mater hence I applied and returned to serve and educate other aspiring nurses. I am very proud and pleased to work in the University that I have graduated from.
