

Welcome Programme for CAE Parents Orientation

Date: 19 January 2021 (Tuesday)

We at Sunway University are looking forward to welcoming you to Sunway University's new students' orientation on the 19th January 2021, Tuesday.

The Orientation is designed around you, helping you to uncover answers to questions you may have, and providing you information about campus resources, programs, and services. It also provides you with a chance to meet other incoming Sunway University students via online.

In order to support you better, students are required to sit for the English Placement Test on the first day of Orientation (19th January 2021, Tuesday). The **English Placement Test is compulsory for all students**. Following the English Placement Test, there would be a Mathematics Placement Test (optional).

In addition, Sunway University's Centre for American Education also would like to invite your parents to join the **Parent Orientation Program**. Details are as below:

Meet and Greet Session with Head of Centre	
Date	19 th January 2021, Tuesday (First day of New Students Orientation)
Time	11:00am – 12.00pm
Venue	Ultra BB Collaborate, eLearn (link will be provided in the email sent by CAE Admin staff)

The following information will be presented during the Parents Orientation Program: -

- An overview of the students' expected progress in ADTP, the transfer support,
- CGPA system, academic support, and
- Key contact persons in Sunway University's Centre for American Education if faced with issues.

Thank you for your confidence is us. We hope that your parents will join us for this session, so that together, we can support and guide you through your progression into university life.
